

The image is a square graphic with a dark blue background. It features a grid of the text "SKIINTERKRITERIUM" in white, bold, uppercase letters. The grid is 10 columns wide and 10 rows high. In the center of the grid, the text "TODAY IS RACE DAY. EDITION №64" is written in a bright red, bold, uppercase font. The text is arranged in a way that it appears to be a repeating pattern, with the central text acting as a focal point.

WARM WELCOME!

Dear sports friends, dear racers, dear guests,

I warmly welcome you to the 64th edition of the international alpine skiing race, Skiinterkriterium 2026.

January is traditionally the month when young skiing talents from almost all over the world gather in our ski center in Říčky in the Orlické Mountains. It is, above all, a time to measure sporting qualities and skills between the gates on the race course. But it is also a time to meet new friends and gain valuable experience beyond the race slope.

As the organizing team, we have once again tried to do our very best to ensure the smooth running of the competition. As we all know, none of this would be possible without favorable weather conditions. Nor could the race take place without the many volunteers who help organize the entire event. Allow me to sincerely thank them all for their dedication and support. And a special word of thanks goes to the partners and sponsors of our race — without their support, an event of this scale would not be possible.

I wish all competitors excellent performances, and everyone else a wonderful time enjoying the unique atmosphere of the races in Říčky.

Jan Duffek
Chairman of the Organizing Committee
