WARM WELCOME!

Dear sports friends, esteemed racers, and honored guests, It is my pleasure to welcome you to the 63rd edition of the Skiinterkriterium race.

During the preparations for this year's event, we experienced a very sad moment. We lost Mr. Luboš Bächel, the long-time chairman of the race organizing committee, who held this position for almost 30 years. Allow me to symbolically express my gratitude to Luboš for his dedication and efforts in the development of our race. Let us observe a minute's silence to honor his memory. Thank you.

Let me also express my gratitude to all the sponsors and partners, from public institutions to private entities, whose support makes an event of this scale and quality possible. I would also like to thank all the members of the organizing team, from the organizing committee to the technicians and referees on the track. Each year as organizers we strive to bring the event to the highest level possible.

We hope you enjoy your time with us and that the race meets your expectations. We wish the racers good snow conditions and satisfaction with their performances. While this event is primarily a sporting competition, it also offers many opportunities to broaden your experience and knowledge.

I encourage you to make the most of this opportunity and leave Říčky feeling fulfilled and content.

Jan Duffek
Chairman of the Organizing Committee
